## [Zimbabwe: Harare](#)

Harare is the capital city of Zimbabwe and home to 1.6 million people living in a country with the lowest life-expectancy on the planet (34) due to the HIV/AIDS pandemic and perhaps the worst economic crisis in world history. Despite these horrific statistics Zimbabwe is a peaceful, beautiful country – a country that was once the breadbasket of Southern Africa. Our Christian volunteers are involved in partnering with a number of local initiatives that are aimed at serving our surrounding communities. Given the extent of the orphan crisis, we have chosen this to be our main area of focus
